Jennifer Beatty led a fun PE class with our youngest students.

To guide our toddlers is a great new teaching team. Our Lead Guide is Tammy Chabria, with support from Madeline Robinson and Tiffany McGraph.

Summer Learning Camp

SJMS hosted another successful Summer Learning Camp. Students experienced eight weeks of fun and learning. These images are just a glimpse of the fun.

Our Upper Level students explored STEAM projects.

The Lower Elementary students enjoyed the outdoors with many games.

Our Lower Elementary students created fun puppet shows to share with their friends.

During Harry Potter week, our Upper Elementary students created Madrigales from Book 2.

Fall Clean Up Day

Photo: R. Holonitch

The entire Warner family came to help prepare the school grounds for a new school year.

On August 15th, our families came to SJMS to help clean up the school grounds. The weather was perfect for an afternoon outside with friends and family. Families could sign up for a 2-hour shift or the entire afternoon.

Tasks included assembling the raised garden beds, spreading mulch, weeding, and playground cleanup.

It was wonderful to see our SJMS community come together to help prepare the school for the new year.

Peace, Love, and Pinwheels

To celebrate International Peace Day, our students created beautiful paper pinwheels and placed them throughout our school property. The school also joined in on a virtual sing along to celebrate this day.

Photo: R. Holonitch

Students in our Toddler classroom placed their pinwheels on Summit Street.

Time for Sports

Photo: C. Corlett

Serve, Set, Spike! Our volleyball team showed their teamwork skills on the court.

School sports are a wonderful opportunity for students. Sports help develop skills in teamwork, as well as physical strength. SJMS is happy to share new team sports for our students this year. Some of these sports teams include volleyball, track, and fencing.

To help coordinate all the games and events, Hugo Quint has joined the SJMS team as our new Athletic Coordinator.

If you or your child are interested in learning more about school sports, contact the school office.

Alumni News

Class of 1929

Kathleen Rubadue

Kathleen Rubadue was a graduate of St. Joseph Academy in 1929. Recently, to celebrate her 111th birthday, Chris Willis from the Pro Football Journal wrote an article about Kathleen's life.

Kathleen's contribution to history is being the first woman to work for the National Football League (NFL).

To learn more about this extraordinary woman, please use the link below to read the complete article.
